The EINA Foundation makes public the results of the call for the New Access Scholarships for the students who begin their studies of Degree in Design in the course 2020-21, in fulfilment of the bases of the call.

The Commission appointed for this purpose has valued very positively the high quality and the great number of applications, and congratulates all the candidates for their academic and personal value.

Depending on this year's budget availability, and given the different types of grants to be awarded, EINA Foundation has decided to award 6 grants for 50% of the registration fees to the following candidates:

DNI	48085281D	DNI	54325308K
DNI	23845991M	Passport	XDD354003
DNI	23857199N	DNI	05442259E

This year, EINA Foundation has initiated a process to increase its funds for these grants, and proposes the following waiting list, in anticipation of being able to award a greater number of grants:

DNI	49936714B	DNI	49952538B
DNI	49185383K	DNI	49767832H
DNI	23817687Z	DNI	41656393N

In the next few days a personalized letter or email will be sent to each applicant thanking them for their participation and with the result of their personal application.

On behalf of the Foundation we would like to thank all the participants.

Cordially,

Pau de Solà-Morales Serra
