

EINA IDEA TINTA SIMPÁTICA ESTIMULANTE

EINA IDEA'S PRINTED OBJECTS ARE NOT DISTRIBUTED WITHOUT A NUMBER OF BRANDING SEALS ON THEIR SKIN. MORE THAN MARKS OF AUTHENTICITY, THESE INSCRIPTIONS ARE TRACES OF A PERFORMATI-VE RELATION, BETWEEN MAKER/RECEIVER OR WRITER/READER—EVEN IN THOSE INSTANCES WHERE THERE IS NO TEXT. EINA/IDEA'S SIGILS ARE IDENTIFYING SYMBOLS OF ITS STATIONARY PRODUCTION INSOFAR AS THE LATTER IS TANGIBLE, PALATABLE, AND EMBLEMATIC. THE INKS THEY ARE HAND-STAMPED WITH ARE A SINGULAR COLOR BLEND OF MEZCAL, CBD, AND FOOD COLORING, CALLED EINA IDEA TINTA SIM- PÁTICA ESTIMULANTE. THEY COME IN THREE TEXTURED HUES: SUGAR BLACK*, TIBETAN RED*, AND MAGÜEY BLUE*. THIS DOCUMENT IS THE FORMAL DESCRIPTION OF THE MATERIALS AND FABRICATION PROCEDURE FOR THESE SIGNATURE INKS.
